

reception & foyer

open plan & offices

assurity

project elements

- foyer
- reception area
- boardroom
- meeting rooms
- breakout/eating area
- open plan screen/
workstations
- executive offices

project brief

The new Assurity offices at Brendale needed a contemporary feel utilising the unique spacial aspects that the new style of tilt-slab construction brings. Incorporating the use of sealed-concrete walls into the design of the mix of open-plan and executive offices both saved expense as well as bringing in an interesting feature.
