after

barard management

project elements

- full floor tenancy
- reception area
- boardroom
- meeting rooms
- workstations
- document storage
- building works

project brief

Our brief was to provide a complete fitout and furniture package for a team of 25 with room to grow. Incorporating a busy back-office operation with open-access document viewing areas for body-corporate clients, the brief required a high level of cross-over between users.

project people

Designer:
Melanie Waters

Project Manager:
Michael Sehmish
