5 year warranty

The GM series is a luxuriously appointed family of traditional executive chairs - all generously sized with striking chrome features.

Fully upholstered in high grade black leather, the GM is a well priced option for any executive office environment.

Available in high and medium back with smooth knee-tilt mechanism. The GM family also includes a medium back side chair with cantilevered chrome base. All GM chairs are standard with high grade black leather upholstery, chrome base and chrome arms with black leather arm pads.
