

# warrior

**specifications**  
**5 year warranty**

The Warrior is a cheeky, lightweight & durable stool manufactured from a single material - expanded polypropylene (EPP) - a lightweight polymer that is completely odorless, hypoallergenic, emission-free & 100% recyclable. The two parts of warrior are fused together with hot air eliminating the need for any glues or screws. Like all things natural, Warrior is available in a rainbow of colours to complement a wider range of interiors.

Warrior has been tested to a load of 300kg

Warrior weighs less than 1.5kg
