

## u.r

**specifications**  
5 year warranty

u.r is an environmentally considered table system that is flexible & versatile, and provides for a complete "family" of table product options. The family of products allows the specifier continuity of design throughout any commercial environment.

u.r has been designed with the environment in mind. Life Cycle Assessments were commissioned to determine the most appropriate materials to achieve the desired finishes. Components produced from materials such as die cast aluminium have been designed using F.E.A (Finite Element Analysis) to ensure the strongest structure whilst eliminating excess material.

u.r has been designed for 100% disassembly, ready for recycling, and is a carbon neutral product.
